Dear Ms. Fay,

Your earlier email today to Ms. Cushman was forwarded to me. We appreciate your concerns. Your comments consist of possibly serious allegations of fraud, misuse of funds and violations of ethics laws occurring in Laurens County. Unfortunately, our agency does not have legal authority to investigate such charges. PRT has no evidence that I am aware of that would support your allegations, but we will fully cooperate and assist with a formal investigation of this matter, if requested by the appropriate authorities. I suggest that you contact the South Carolina Law Enforcement Agency (SLED) or the Attorney General's Office if you wish to commence a formal investigation. Thank you.
